

Wayne M. Barone

With the help of his brother Wayne, Charlie Pelliegrini and Lou Radoslovich, Tony Barone ran the Long Island Open 4-Wall Tournament for twenty years: 1979/'80 – 2000.

Wayne's contribution to handball consisted of much more than being a strong player.

He helped run both the New York State Tournament and the Long Island Open for approximately twenty years. His numerous wins never prevented him from teaching newcomers to play or promoting the game he loved.
